PLEASE READ THESE NOTES ON THE MEETINGS AND ACTIVITIES:

We really want all of our dogs to have fun and to be safe at all the Club meetings and activities. We love having our dogs socialize with other Chihuahuas, but we need to remind everyone of some basic safety and sanitary concerns. Our activities are good for the breed and to get to know other Chihuahua people, however we all need to exercise some consideration for other Club members. Also, we don't want to lose the right to use any of the meeting sites.

1. Everyone needs to look out for your own dogs. Please clean up after your dogs, especially if your dog is not on a leash.
2. All dogs should be up to date in vaccinations.
3. Please do not put your dog into the exercise pens at the meeting without first asking permission. These pens are owned by individuals and not the responsibility of the Club. The concern is whether the dogs would get along with the dogs already in the pen. We really don't want any dog fights.
4. Please do not pick up or touch any other person's dog without first asking permission.
5. We always ask that you bring water for your own dogs, since there have been numerous cases where illnesses have been picked up from community drinking bowls, such as Kennel cough.

Please put these dates on your calendar for next year. The Club will email reminders and send out some newsletters for these activities, but please be proactive and let us know if you need more information on these activities. We welcome all the help we can get in the planning and organizing of all our activities. The Club depends on you, our members to help us all sustain and support the Club. Thank you for all your support in the past years.

BREEDER INFORMATION

These are paid advertisements, and the breeders are listed by seniority in regards to the start date of their original ad. The Club does not endorse any particular breeder, and reserves the right to pull any ad for any reason. Only AKC breeders with good standing in the Club are allowed to place an ad. The Club expects these breeders to conduct themselves in a business like and professional manner, otherwise the Club will pull the breeder's ad. However, the Club itself does not provide any guarantees as to the quality and health of any Chihuahua placed by these breeders. If you are looking for a Chihuahua you should be very careful what you buy, it is "Buyer Beware." The Club has more information on our Web site under [Finding a Chi](#), which may help you to decide whether a Chihuahua is the right dog for you, and some things to look for when you are looking for a dog.
