### NATURALLY PET

Mahalo to Yumi of Naturally Pet for sponsoring our Club's Chihuahua Olympics by contributing prizes. She has a lot of friends who are members of our club and they enjoy going to her store located at 535 Ward Avenue.

"We opened our store on December 13, 1999, after 6 years of doing home delivery of natural pet products," says Yumi. "We started this business after our first cat got sick. She couldn't eat any commercial

food available here at the time. I was forced to make fresh meals for her (and everybody else). However, I couldn't believe when I first tried Wysong. She could eat any variety. When I started preparing fresh meals at home, I knew the quality of ingredients were very important. But when I say her eating Wysong without any problem, I realized that more."

"We started bringing in Wysong at first, then we added more products that supplement natural rearing of our pets. All our pet food and treats are made with human grade ingredients, unlike commercial foods. Some are organic. We have many supplements such as digestive enzymes, essential fatty acids, vitamins, herbal supplements, and homeopathy products. Whatever you apply to your dog will have an effect on them. By practicing holistic pet care, it might be more work than caring for them the conventional way, but you will be putting their health first. Holistic means treating them as a whole, not just the symptoms.

Naturally Pet also has a lot of natural, human grade treats, unique pet toys and human toys, dishes, collars, leashes, and a lot of homeopathic books. They also carry items for other animals, such as birds, rabbits, etc. Their web site is:

<http://naturallypet.com>

Yumi also has a raw food diet she would recommend. If you would like more information on this, you may contact Yumi at Naturally Pet or the Club for a copy of the diet.

## DINO'S DOGGIE DELI & DINER

By Ipo McKenna

Hi! My name is Ipo. My owner is Ms. Michael McKenna who loves and takes very good care of me and takes me to Dino's Doggie Deli, which is located in Pets Etc. in Kailua almost daily. I get to look into the deli case and pick out a beef stick or chicken dog, or sometimes get to choose a special homemade treat from their Doggie Bakery such as a Peanut Better Pooch Pie or a Barky Bar which I just love! Their Deli and Bakery manager Darlene does special things for customers with four paws like myself. She makes us bone leis for our birthdays. Dino's Doggie Deli specializes in custom doggie birthday cakes where we got a cake for my brother Mongo. I can hardly wait for Pets Etc. to open up their newly renovated Doggie Diner which is a dining area just for us canine customers! It will be the only place where you will truly be able to get a doggie bag to take your leftovers home in. If you love your pets and would like to do something special for them I would suggest a trip to Dino's Doggie Deli and Diner.

Sincerely,  
Ipo McKenna
