HALLOWEEN 2000

Chihuahua Olympics News

Everyone, we had a great turnout for our Annual Olympics this year, and loads of prizes, socializing, partying and lots of fun. Pictures of our Chihuahuas were featured in both daily newspapers, and a very nice article was in the Oct. 3, 2001 Midweek newspaper. We had a very successful raffle, and about 70.00 will be donated to the ASPCA, for the Sept. 11, 2001 incident, to help out pets made homeless by this tragic event. The remaining half of the raffle money will go towards our club's rescue fund.

We truly appreciate everyone's generosity and wish to thank the businesses that provided prizes and donated things for our raffle and games. Thank you to Dino's Delights in Kailua, Purrfect Paws in Windward Mall, and Naturally Pet on Ward Avenue. I would also like to thank our club board and other members who made our Olympics a success by organizing it, providing the refreshments, and also to thank the members who attended and had fun. Everyone contributed to the success and fun of the day. If I have missed anyone, it was inadvertent, and I do apologize for that. So many people worked so hard to put this together, but I will single out a few key people that contributed so much...Thank you especially to Kim Matsuzaki and Claire Ching.

The Welcome at Rainbow Bridge
by Alexander Theodore, Bouvier,
Fourth Year Resident

On the morning of September 11, 2001, there was an unprecedented amount of activity at the Rainbow Bridge. Decisions had to be made. They had to be made quickly. And, they were.

An issue, not often addressed here, is the fact that many residents really have no loved one for whom to wait. Think of the pups who lived and died in hideous puppy mills. No one on earth loved or protected them. What about the many who spent unhappy lives tied in back yards? And, the ones who were abused, who are they to wait for?

We don't talk about that much up here. We share our loved ones as they arrive, happy to do so. But we all know there is nothing like having your very own person who thinks you are the most special pup in the Heavens.

Last Tuesday morning a request rang out for pups not waiting for specific persons to volunteer for special assignment. An eager, curious crowd surged excitedly forward, each pup wondering what the assignment would be.

They were told by a solemn voice that unexpectedly, all at once, over 4,000 loving people had left Earth long before they were ready. All the pups, as all pups do, felt the humans' pain deep in their own hearts. Without hearing more, there was a clamoring among them. "May I have one to comfort?" "I'll take two, I have a big heart." "I have been saving kisses forever."

One after another they came forward begging for assignment. One cozy-looking fluffy pup hesitantly asked, "Are there any children coming? I would be very comforting for a child 'cause I'm soft and squishy and I always wanted to be hugged." A group of Dalmations came forward asking to meet the Firemen and be their friends. The larger working breeds offered to greet the Police Officers and make them feel at home. Little dogs volunteered to do what they do best, cuddle and kiss.

Dogs who on Earth had never had a kind word or a pat on the head, stepped forward and said, "I will love any human who needs love."

Then all the dogs, wherever on Earth they originally came from, rushed to the Rainbow Bridge and stood waiting, overflowing with love to share—each tail wagging an American flag. Permission to cross post.
