Breeders

These are paid advertisements, and the breeders are listed by seniority in regard to the start date of their original ad. The Club does not endorse any particular breeder and reserves the right to pull any ad for any reason. Also, the Club reserves the right to refuse to place a breeder's advertisement in the newsletter and Web site. Only AKC breeders with good standing in the Club are allowed to place an ad. If the Club decides to pull a breeder advertisement, no compensation will be due to the breeder for the remainder of the year. The Club expects all breeders with an ad on the Club Web site and newsletter to conduct themselves in a business-like and professional manner, otherwise the Club will pull the breeder's ad.

The Chihuahua Club of Hawaii does not provide any guarantees as to the quality and health of any Chihuahua placed by any of the breeders. If you are looking for a Chihuahua you should always be very careful what you buy, it is "Buyer Beware." The Club has more information on the [Finding a Chi](#) Web page, which may help you to decide whether a Chihuahua is the right dog for you, questions to ask breeders, and some things to watch out for when you are looking for a dog.

Club Note: Sometimes the club will be contacted by various rescue organizations to foster Chis/Chi mixes who need a temporary home and/or for adoptions. If you are interested in either, please contact the club at cchawaii@hotmail.com, and we will keep your name on a list of contacts in case anyone should contact the club.
